TESTIMONIAL FROM COACH: *"STUNT has given our program a solid foundation based on proper progression and technique. It has allowed my program to grow quickly into a dominate force in the sport within 5 years of existence. My girls feel respected as college athletes and love that they can control the outcome of routines and points. The strategy and play calling make every game a little different and always exciting! STUNT is easy to understand, follow, and become engaged in!" –Michelle Sabourin*

TESTIMONIAL FROM ATHLETIC DIRECTOR *"When I first arrived at Alma College the summer of 2015 and found we had a competitive cheer and stunt team, I truly didn't know what to think. What I quickly found out was not only do we have a competition team, but one that is very athletic, works very hard, and is one of the best teams in the country. Led by my head coach, Michelle Sabourin, I feel we have built what I would call a model program. I couldn't be more proud." -Steven Rackley*
