2017: 23 female participants

2018: 28 female participants

TESTIMONIAL FROM COACH:

Our STUNT program is quickly growing which I attribute to the new opportunities it provides for young women to compete as college athletes. My girls have a passion for STUNT and love the game format and strategy involved. Throughout the three years of our program, our university administration, the student body, and our community and families have all rallied around our team in support of this new, exciting sport!

TESTIMONIAL FROM ATHLETIC DIRECTOR:

Our STUNT program started by Amy Haney has just exploded. I along with our administration is so excited to see the fruits of labor from Amy and the student-athletes. We hosted a couple of STUNT games and unbelievable support from parents, student body and community! I am so excited to be a part of and support what Amy Haney, Lauri Harris and Bill Boggs are doing in moving STUNT forward out West.
