TESTIMONIAL FROM COACH:

STUNT the Sport is the heartbeat behind the Davenport University Cheer and STUNT program. The attention to detail, the enforcement of technique and precision, and the focus on the fundamentals of cheerleading is the foundation to our success in this sport. STUNT practices and games are truly a one of a kind experience that brings out the best in every athlete and coach. We adopted this sport into our program 5 years ago and are blessed to be part of the growth, and most importantly, to give female athletes more opportunities in the College STUNT arena.

TESTIMONIAL FROM ATHLETIC DIRECTOR:

Davenport University's STUNT program has been one of our most successful programs. The work ethic and preparation our STUNT student-athletes commit to their sport has been phenomenal. The sport itself is amazing to watch and our STUNT student-athletes are some of our best athletes on campus. These young ladies also do a fantastic job in the classroom. I recommend all schools to take a good look at adding STUNT to their athletic department sports offerings.
