Indianapolis, IN 46206-6222

Please accept this letter on behalf of the STUNT Coaches Advisory Board in support of USA Cheer's effort to add STUNT as an NCAA emerging sport. USA Cheer's initiative to place STUNT on the emerging sport list is important as it provides additional opportunities for women to participate in intercollegiate athletics and derive the important benefits from sports.

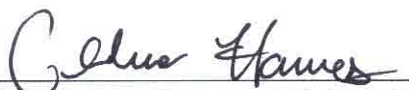

Since the launch of our sport in 2011, the STUNT Coaches Advisory Board has served as a guiding voice for our sport working closely with USA Cheer to advise them on the growth and development of the game. We have been thrilled to contribute to the amazing success of STUNT growing at the high school and college level across the country.

As part of the Advisory Board, we have worked with our colleagues across college campus to bring STUNT to their universities. The most consistent response we receive from our fellow coaches is **enthusiasm** and a **love** for the game of STUNT. STUNT fills a void in the cheer community to provide a unique athletic experience for female athletes as varsity college athletes—and for us as coaches to give us a new and challenging platform to compete.

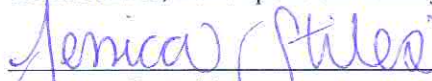

We fully support the efforts of USA Cheer to secure NCAA emerging sport status for STUNT and urge the Committee on Women's Athletics to approve their proposal for formal designation.

Sincerely,

STUNT Coaches Advisory Board
