Brandy Corcoran
USA Cheer - STUNT

Brandy,

Oklahoma City University has fielded a varsity STUNT team for the past few years. STUNT is a growing sport among high schools in Oklahoma and the young women who participate are eager for the opportunity to continue their participation at the collegiate level.

We treat our STUNT team just like every other varsity sport on campus. The team has a full-time coach, budgets for operations and scholarships and has competitive and academic guidelines that they are expected to meet. Our STUNT team practices and prepares for competition just like our Women's Soccer team.

STUNT has been terrific for our campus. It is a highly entertaining sport to watch (perhaps the most exciting sport that we sponsor), allows us to attract outstanding students that we wouldn't otherwise have on campus, and has attracted fans and donors to our campus. The best thing about STUNT in my opinion is that it allows teams to compete head to head in an easily understood format.

We are excited about the future of STUNT, particularly as we see its growth on the youth level, and look forward to continuing to field a team for years to come. Thank you for your efforts to support and promote STUNT, we are with you 100%.

Sincerely,

Jim Abbott
