TESTIMONIAL FROM COACH: I have been both a STUNT athlete and Coach. It has been exciting to watch the development of STUNT over the years and see improvements made each year. This sport has so much to offer and is growing at a rapid and exponential pace. Our athletes love the game atmosphere because it's so different than anything they have ever done in cheerleading! We are excited to now have athletes that compete only in STUNT and can't wait to grow the STUNT program!

TESTIMONIAL FROM ATHLETIC DIRECTOR: STUNT is a natural fit for our campus and a great compliment to our competitive cheer squad. STUNT allows teams to compete head to head, is very entertaining and exciting, and is one of my favorite sports to watch. I'm excited to see the growth of STUNT on both the collegiate and high school level and I think the future for this sport is bright!
