### TESTIMONIAL FROM ATHLETIC DIRECTOR:

Our STUNT program has just exploded. I, along with our administration, are so excited to see the fruits of the labor from our head STUNT coach Amy Haney and the student-athletes themselves. We've hosted numerous STUNT games and have had unbelievable support from parents, our student body and the community. With STUNT being a high school sport in CA, we see nothing but a bright future for more female athletes having an opportunity with this new sport on our campus. – Mo Roberson

### TESTIMONIAL FROM COACH:

Our STUNT program has grown so rapidly which I attribute to the new opportunities it provides for young women to compete as college athletes. My girls have a passion for STUNT and love the game format and strategy involved. Throughout the four years of our program, our university administration, the student body, and our community and families have all rallied around our team in support of this new, exciting sport! I love the strategy, the game atmosphere and coaching this sport and these athletes. – Amy Haney

### TESTIMONIAL FROM ATHLETE:

“STUNT gave me the opportunity to experience college as a competitive athlete; for four years I was able to learn about and work on my strengths and weaknesses as an athlete and teammate, which mirrored my strengths and weaknesses in my day-to-day life. I love the mental component of STUNT, that STUNT demands reliance on your teammates, and that you have to surrender control by focusing on your job and being confident that your teammates are doing the same. I love celebrating a great team outcome as a result of everyone taking ownership of their skills and executing them to the best of their abilities!” – Mackenzie Feeken

The STUNT team practices and holds STUNT games and tournaments in the CU Arena.

Built in 1989 with a seating capacity of 2,400, CU Arena serves as home court for Concordia basketball, volleyball, and STUNT teams. It served as the home court for the 2003 & 2012 NAIA Men's Basketball National Championship Eagles, and the 2012 Women's Volleyball and 2013 Men's Volleyball NAIA National Champions.

Concordia's training facilities, as well as the locker rooms, are located within CU Arena, and Concordia Athletics is headquartered at the mezzanine level in the southeast corner of the facility where the STUNT coaches have their own office alongside the entire athletic coaching staff. The facility features a four-sided center hanging scoreboard and two end zone scoreboards on each wall.

Visually, the arena is dominated by a center-court inlay of the Concordia Athletics logo, while the walls are decorated with championship banners from all sports. The Eagles Nest offers an enclosed viewing area through giant glass panes.

Concessions are open and available during home athletics events, and located on the southeast portion of the facility. All home games are video streamed free of charge. New baseline logo padding and a LED score table were installed in 2012.

- Local and regional competition opportunities.
  - STUNT plays games locally at Vanguard University and Riverside City College and regionally in Northern California in Sacramento and Berkeley.
  - STUNT has the possibility for travel outside of their region to meets in Oklahoma, Michigan or Northern California.

USA Cheer is always helpful and provides guidance, oversight and education.
