

Hanover College STUNT Specifics

June 27, 2019

- Hanover College is in the middle of a search for a STUNT coach. The STUNT coach will be a full-time member of the Athletic staff. The coach's job for the first year is to recruit student athletes to compete in the 2010-21 academic year. We hope for a roster size of 16 for the first year, building up to a full roster of 36 within four years.
- The STUNT team will practice and compete in Collier Arena current home of our volleyball and basketball teams. STUNT team members will have full access to the athletic training staff and to the strength and conditioning staff and facilities just like our other varsity teams.
- Since we won't yet compete in 2019-20, our new coach will have ample time to create a competitive schedule for 2020-21. Our budget is planned for six dates of competition, but can easily be revised to add more dates.
- Our new coach will become a member of USA Cheer if not already. Our program will abide by the rules and bylaws of that body. We will operate the STUNT program within the NCAA DIII parameters as we do with our other varsity programs.
