HEAD COACH: CASSIE BUMP

YEARS COACHING STUNT: 4

Favorite thing about coaching STUNT: Coach Bump’s favorite part of STUNT is the relationships she builds with the team. She strives to be a relational coach, and it’s incredibly important to her that each athlete knows how deeply they are valued, supported, and cared for.

Best Quarter: Quarter 4 is the strongest phase of competition, where every athlete rises to the challenge and digs deep to execute the most demanding round of play.

Season Highlights: PT 7 and PS 8 were performed for the first time in program history! Finished the regular season with a winning record for the first time in program history.

Team Traditions: “Bring the Heat” box where athletes can write shoutouts to their teammates throughout the week, and they take time to read them together every Friday. They also have a HIT board to track the routines they’ve successfully executed to celebrate the consistency and progress. One of their favorite traditions is the “Hype Circles” for partner stunts— the entire team forms a circle, builds energy with a quick dance party, and then run partner stunts one group at a time across all levels.

Fun Facts: This has been the most successful year for TU STUNT and we are so excited, humbled, and grateful to be attending College Nationals!

Coach Bio: Cassie is in her 4th season as Head Coach at Tiffin University, where she has played a pivotal role in the program’s growth. The Tiffin STUNT program has qualified for the G-MAC Conference Championship in each of her four seasons. In 2025, the team made history by earning its first-ever bid to the STUNT Nationals.

I also love watching athletes grow, build confidence, and come together as a team. Seeing everything click during the game and knowing the work paid off is the best part.

Best Quarter: Quarter 4. We thrive on the excitement, adrenaline, and energy of the quarter

HEAD COACH: JILLIAN HUMPHREY

YEARS COACHING STUNT: 4

Favorite thing about coaching STUNT: Coach Humphrey loves that athletes don't have to be perfect in every area. They can excel in one quarter while having little to no experience in another, and over time, you get to watch them grow, develop, and become more well-rounded athletes through the program.

Best Quarter: Jumps & Tumbling – The athletes truly believe they have the strongest JT routines in our division, allowing them to approach each an easiness and with confidence.

Season Highlights: The team becoming the first varsity DIII team to score a point in JT7 & PT5.

Coach Bio: Jillian Humphrey, was named the Head Coach of the Saint Mary's STUNT program in 2023. Humphrey joined Saint Mary's as the first coach in program history. Humphrey comes to the Belles from Central Michigan University, where she most recently served as the assistant cheerleading & STUNT coach. Additionally, Humphrey competed on and helped influence the first STUNT team and was a member of the Central Michigan University cheerleading team. In her first season with the Belles (2025), Humphrey led the team to a 10-9 overall record and a 5-0 Mid-America Central Conference record en route to a 2025 Nationals appearance. Humphrey would help lead the team to the programs first victory in their inaugural competition with an 8-4 victory over Concordia Chicago.
