

Competitive Sport Cheer (STUNT) is in its fifth year under CIF rules and regulations. We are encouraged that several CIF Sections are offering Competitive Sport Cheer (STUNT) Championships this year and others are planning future championships. As this evolves it is imperative that schools get accurate and consistent information on the rules and requirements of CIF competition. Member schools that have questions regarding these sports are reminded the **only official sources of information are the CIF Bylaws and local CIF Section and State CIF offices.**

**Q: How many males constitute a Competitive Sport Cheer (STUNT) team CO-ED?**

A: 1. Any team with 1 or more males will be considered a CO-ED team.

**Q: Can all girls and CO-ED teams compete against one another in Competitive Sport Cheer (STUNT) competitions?**

A: Yes. That is a local decision between two schools.

**Q: Can all girls and CO-ED teams compete against one another in Competitive Sport Cheer (STUNT) any CIF Championships?**

A: No. Competitions may only take place within same team category at CIF Championship events.
