

College STUNT Scheduling Process

This document is intended to help Athletic Directors/Coaches in the College STUNT game scheduling process. It is the responsibility of each institution to schedule their games while adhering to the guidelines and requirements put forth by USA Cheer.

1. Athletic Directors/Coaches communicate with each other regarding dates they can host.
2. Athletic Directors/Coaches confirm dates and location of games they can attend.
3. Athletic Directors/Coaches communicate amongst each other to finalize opponent(s) for each date of competition and confirm with hosting school.
4. Hosting school Athletic Director/Coach fills out the College Scheduling Form for ***EACH*** game at their location. Please do not submit until the game has been finalized with all parties including opponents, facilities, correct times etc.

5. Once submitted, USA Cheer will confirm the game by adding it to the master schedule.
6. College STUNT Officials Association will be notified and will schedule officials for all confirmed games.

Important Dates

October 1: First pass of schedules completed.

December 1: Schedules should be finalized and submitted. Any changes made after this date will need to follow the Schedule Change Process and require signatures from both competing university Athletic Directors.

January 12: Schedule Publication Date - Final schedules will be made public.

*Be sure to review the scheduling requirements on the Conference and Divisions document to ensure you are meeting all requirements when scheduling games. This document can be found in the Materials section of your USA Cheer account.
