

Frequently Asked Questions – High School

How do I get my STUNT Program membership?

- Returning school programs: [Login](#) to your own account to renew your team membership (You will see “Renew My Program School STUNT membership” under the Program Administration section of your menu). If you are a NEW coach for an existing program, please register as a New school program below and contact info@usacheer.org so your account can be updated.
- New school programs: [Register HERE](#)
- Check out other school programs playing this upcoming season on our [Program Listing](#).

Do I need a STUNT Coach membership this year?

- No, it is not required that you have a STUNT Coach membership, but we highly recommend it. The STUNT Coach membership is \$30 and requires a background screening, safety certification, athlete protection training, and USA Cheer waiver. With a STUNT Coach membership, you will receive complimentary access to the new STUNT training pieces and discounted prices on other certifications USA Cheer offers.

What time of year is High School and Junior High STUNT played?

- STUNT is a spring sport and should follow the spring season at your school. The typical spring season runs from February-May.

What other high school and junior high teams are playing this upcoming season?

- Check out other school programs playing this upcoming season on our [Program Listing](#).

How do I get scheduled to play this season?

- Talk with your Athletic Director and connect with the surrounding schools in your area that are playing (your league). With the numerous changes to leagues due to COVID, you may find your league from last year different, or if you're a new team and don't have a current league, that's completely fine. The goal is to set yourself up quickly with a group of 3 – 10 schools and create a league. Once that's established, one Athletic Director will serve as the league representative and submit the league schedule to the officials association (if you are unsure of your local STUNT officials association, contact info@usacheer.org).

How can I see the material for this season?

- Once you purchase your Program Membership for \$149, you will have immediate access to the “My Material” section of your membership. *Note: resources available depend on the release dates.*

What level is my state playing?

- The standard level of play for High School is Level 3 (High School) 12-Athlete version. The standard level of play for Junior High is Level 2 (Junior High) 12-Athlete version. You can find your state's level of play in the material section of your account. If you do not see your state, please contact USA Cheer at info@usacheer.org.

Has there been changes to any of the rules for this year?

- Yes, you can find all the changes listed in the **NEW** Rulebook. A complimentary digital copy is available through your account as part of your membership and additionally, both Coil Binding and Paperback Rulebooks are available for purchase. Changes are also covered in the training pieces we offer: Overview of STUNT and College Training.

How do I submit a question regarding a routine or rules?

- You can submit questions and get answer regarding routines or rules by filling out the [STUNT Routine/Rules Question Form](#) in the resource section on stuntthesport.org.
